Subject: List of Parcel Owners with Wells Near the River

Pete and Peter,

Attached is the list of parcel owners with wells within 400 feet of the Animas River and the Reid Ditch. I separated the tables into North of Durango and South of Durango they are sorted by Owner Name. There are 140 parcels North of Durango and 65 South of Durango, with some parcels being owned by the same entity. This includes all wells in the county all the way down to the state line.

Please let me know if there is anything else I can provide at this time.

Thanks,

Trevor Downing
Geologist
